

Applying Functional Medicine in Clinical Practice (AFMCP) Online

May 4 - July 16, 2026

General Information

STATEMENT OF NEED

The Institute for Functional Medicine, in response to educational needs expressed by physicians and other healthcare practitioners, created the course *Applying Functional Medicine in Clinical Practice (AFMCP)*[™]. AFMCP addresses practitioner needs by integrating the latest medical research with a model of care that accounts for each patient's individual history, unique genetic makeup, and environmental and lifestyle factors. Many chronic diseases occur when fundamental lifestyle factors like diet, movement, rest, and/or sleep are lacking or mismatch with a patient's genetic makeup. AFMCP shows clinicians how to design effective, personalized treatments for every patient.

COURSE COMPLETION INSTRUCTIONS

To obtain credit for this course, you must complete all chapters, pass all knowledge checks, and complete the course survey.

INTENDED AUDIENCE

As foundational concepts of functional medicine can be applied in many clinical settings, any healthcare professional or collaborative care team member who works closely with clients on dietary and lifestyle changes can benefit from this course. Common degree types include MD, DO, NP, PA, ND, DC, as well as LAc, DDS, LCSW, CNS, RPh, RN, and other disciplines.

LEARNING OBJECTIVES

AFMCP teaches practitioners how to:

- Identify root causes of dysfunction to allow for personalized, precision-based treatments.
- Differentiate upstream causes of illness to design individualized treatments for each patient, even those with the same diagnosis.
- Utilize physical exam skills to detect nutritional deficiencies and imbalances.
- Recommend personalized dietary and lifestyle modifications to support overall health.
- Foster a therapeutic partnership with patients that facilitates deeper conversation about their personal and medical history, current circumstances, health goals, and preferences.
- Explain to patients how their unique upstream factors contribute to their conditions, improving awareness, motivation, and adherence.
- Engage a clinical care team and utilize point-of-care tools to improve practice efficiency and outcomes.

CME INFORMATION

The CME/CE credit option ensures your certificate of completion will indicate hours of participation. Except as otherwise prohibited by applicable laws, the purchase of CME/CE is non-refundable, non-

transferable, and cannot be changed once the course begins. To receive CME/CE credit, you must purchase CME/CE and complete the course within the specified time frame. Learners who do not complete the course on time will lose access to all course materials and forfeit all CME/CE credit. No partial CME/CE credit will be given for incomplete participation.

ACCREDITATION STATEMENT

The Institute for Functional Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENTS

MD/DO: The Institute for Functional Medicine designates this other activity (an online semi-synchronous cohort) for a maximum of 39 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABP Members: Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 39 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

ABIM Members: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 39 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

DC: Northwestern Health Sciences University (NWH SU) submitted continuing education approval applications to most state chiropractic boards. [Here is the board approval information we have to date.](#)

ND: Generally, state naturopathic boards accept courses accredited through the ACCME.

Nursing Professional: The American Nurses Credentialing Center (ANCC) and American Association of Nurse Practitioners (AANP) accept contact hours approved through ACCME.

PA: The American Academy of Physician Assistants (AAPA) accepts contact hours approved through ACCME.

RD: The Commission on Dietetic Registration (CDR) accepts contact hours approved through ACCME.

Acupuncturist: This course has been approved by the California Acupuncture Board (CAB), Provider Number 0232, for 39 Category 1 hours of continuing education. Per the Recertification Handbook of the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM), courses approved by a state acupuncture regulatory board are eligible to submit with the re-certification application.

Other: For information on applicability and acceptance of continuing education credit for this activity, please consult your professional licensing board or other credentialing organization regarding the acceptance of contact hours through ACCME-accredited organizations. Please contact IFM with any further questions.

**CME/CE credits are subject to change.*

DISCLOSURE POLICIES

In accordance with ACCME Standards for Integrity and Independence in Accredited Continuing Education, IFM wishes course attendees to know of its policies concerning this important issue:

- 1) All accredited continuing education activities sponsored by IFM shall provide independent, balanced, objective, and scientifically rigorous presentations that are free of commercial bias.
- 2) IFM is responsible for all decisions on key components of activity development, including the development of activity goals and objectives, promotional material, content, speaker selection and approval, activity evaluation, and maintenance of physicians' credits.

If at any time during this course you believe there is a violation of these policies, please contact an IFM staff person immediately.

All individuals in a position to control content of an accredited continuing education activity sponsored by IFM are required to disclose all financial relationships they have had with ineligible companies within the last 24 months. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. The intent of these disclosures is to identify and mitigate relevant financial relationships prior to the commencement of an accredited continuing education activity. A financial relationship is relevant if the educational content is related to the business lines or products of the ineligible company. All relevant financial relationships with ineligible companies disclosed below were mitigated before the commencement of this activity.

Educator	Relevant Financial Relationships within the last 24 Months
Sanjay D. Bhojraj, MD	None
Elizabeth Boham, MD, MS, RD	None
James E. Carter, MD	None
Arti Chandra, MD, MPH	None
Monique T. Class, APRN-BC	None
Regina Druz, MD, MBA	Speaker for Boston Heart Diagnostics
Joel Evans, MD	Scientific advisory board member for NutriDyn

David Haase, MD	Speaker for Fresenius; consultant for FBB Biomed
Jennifer Jackson, MD	None
Robert Luby, MD	None
Dan Lukaczer, ND	None
Nicole A. Meier, ND	None
Swathi Rao, PA-C	None
Robert Rountree, MD	Scientific advisory board member for Thorne; Speaker for Better Way Health
Bryan Stepanenko, MD, MPH	None
P. Michael Stone, MD, MS	Consultant for Tailored Script

Presenter	Relevant Financial Relationships within the last 24 Months
Mary Ellen S. Chalmers, DMD, MS	<i>None of the presenters had relevant financial relationships with ineligible companies within the last 24 months.</i>
Dora Chan, PharmD, CNS	
Marti Costello, DC, NBC-HWC	
Yousef Elyaman, MD	
Tracy Gaudet, MD	
Michael Kaplan, ND	
Rebecca Knackstedt, MD, PhD	
Maia K. Kurnik, MPH, RDN, ACSM-EP	
Cristina De León-Menjivar, PhD	
Jennifer A. McCord, MD	
Daniel J. Miller, MD	
Joseph Pizzorno, ND	
Staci Whitman, DMD	

Planner	Relevant Financial Relationships within the last 24 Months
Anna Almiroudis, MS, CNS, CDN	<i>None of the planners had relevant financial relationships with ineligible companies within the last 24 months.</i>
Brett Carnevale, DC	
Marti Costello, DC	
Nicole Dotson, ND, LAc	
Alexis Gonzales, ND	
Michelle Harreld, MS	
Michael Kaplan, ND	
Carey Kunz, ND	
Maia Kurnik, MPH, RDN, ACSM-EP	
Kirsten Linsky, MS, CN	
Robert Luby, MD	
Dan Lukaczer, ND	

Elizabeth McMillan, CNS	
Samantha Minns, CNS	
Brian Rewerts, ND	
Jessica Titchenal, DCN	
Bianca Toscano, ND	

Reviewer	Relevant Financial Relationships within the last 24 Months
Brett Carnevale, DC	<i>None of the reviewers had relevant financial relationships with ineligible companies within the last 24 months.</i>
Marti Costello, DC	
Michelle Harreld, MS	
Michael Kaplan, ND	
Maia Kurnik, MPH, RDN, ACSM-EP
